Crew is called to the Main Deck, sound of ship whistle, last of the crew arrives and moves to their positions...

- GASTON: Arr, where's the grub 'n' grog?
(Bar Maid gets up from scrubbing the floor and serves the crew Hawaiian Punch on a tray.)
- CAPTAIN BL.: Arr, maties! I, Captain Ken Blisterbelly, have called ye t' meetin'... to plan how to git that buried treasure once an' for all! We're going back to Inferno Island to get what is ours. We won't let that blasted Inferno Tribe stop us this time! Those wild savages may have burned my belly once, *(shows singed tummy)* but this time, HA! ... I'll have the last laugh. *(he and crew laugh wickedly)*
- MARY ANN: *(Timidly walks into the galley carrying lollipop, looking scared.)* Excuse me... excuse me, *(waits for them to stop laughing)* my name is Miss Mary-ann *(courtesy)*. Could someone tell me if this is the Good Ship Lollipop?
- GILIGAN: Well, look-y here, mates! The young, little lass has lost 'er way. Where ya headed, little lady?
- MARY ANN: Oh, why I'm just an orphan. My parents were lost at sea, and I am going to go live with my uncle. And who might you gentlemen be?

GUPPY: Why, ya little wench, we're just a bunch o' uncles. I wonder if one of us is your uncle!
(Everyone laughs)

Crew sings to "Aruba, Jamaica"
(Waves are tossing the crew back and forth across the deck)

We're searchin', we're seekin', oo, a buried treasure
With rubies and diamonds, GOLD!, we gotta find 'em.
Our captain, the fat one, oo, he wants revenge
On the native tribe, on an island called Inferno
That's where we wanna go, we'll have money to burn,
To burn, to burn, to burn, to burn.

We're searchin', we're seekin', oo, a buried treasure.
With jewels, and gems, GOLD!, we gotta find 'em.
This time, we'll burn 'em, oo, those nasty natives.
And the treasure's ours, livin' high on the seas
That where we wanna be, livin' high on the seas!

SKIPPER: Arr, I can see us now! The richest pirates in the Carribean! Fetch us some grub, woman!

PEGLEG: Cap'n! You won't believe it, but there's a ship heading straight for us! It's pink! Arr! I think it be The Sea Barbie, Cap'n. I'd know that huge Barbie head on the bow anywhere!

MUTT: Arr. 'e's right, Cap'n. They're aimin' to run right into us... an' she's flyin' the war flag!

CAPTAIN BL.: Blast that Captain Barbie! I'll bet she thinks we have that buried treasure from Inferno Island. Well, we got a little surprise for her!

A loud crunch, crew falls to the deck as if hit from the side of the ship. Captain Barbie and her crew march across the gang plank onto The Kruisin' Ken. They hold swords to the pirates on the deck.

CAPTAIN BA.: Alright ya lazy ol' land lubbers. Where's Cap'n Blisterbelly? We heard you boys been out t' Inferno Island where that famous treasure's hidden.

JEFF: Yea, so what?

BELLE: We come for the treasure. An' we want it now!

CINDERELLA: Where ya hidin' it, boys?

GASTON: Arr! Ya little wenchies. Ya wouldn't know what to do with a treasure if it were sittin' in yer lap!

ARIEL: Arr, Gaston, that's where yer wrong!

Women (joined by Bar Maid) sing and dance to "If I Were a Rich Girl" reggae.

If we were some rich girls, na na na na na na na na na na na na,
We would teach you boys to act like men, if we were some wealthy girls.
We wouldn't have to work hard,
We would hire you to row us everywhere we want to go
Live like queens aboard our Barbie fleet; twenty, thirty luxury ships in all!
Oh, if we were some rich girls, you would never see us fightin' dirty scum, the likes of you.
We would send our Barbie navy out, make you bathe and throw your clothing out
If we were some wealth-y girls!

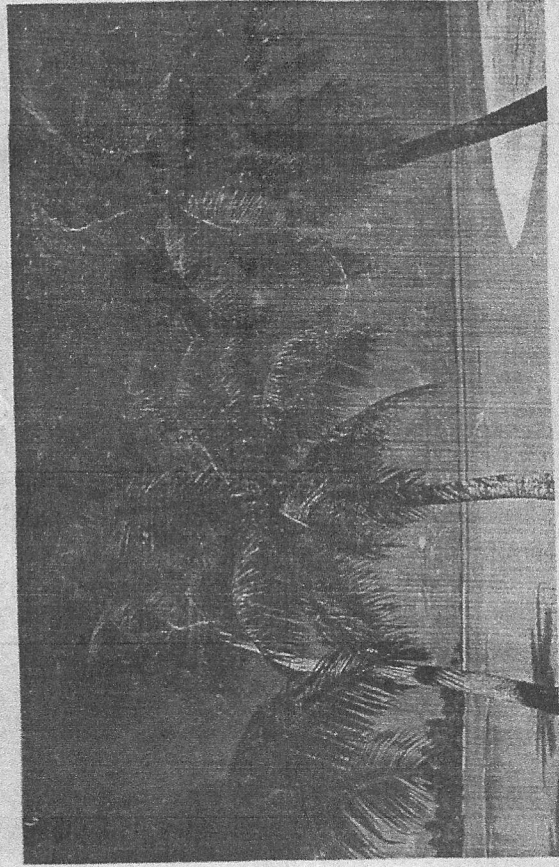

CAPTAIN BL: Arr! All hands on deck. Let's go get 'em, maties!

A full-fledged pirate battle ensues. In the scuffle, Mary Ann is knocked overboard, and no one notices.
